

Declaration of Conformity

according to ISO/IEC 17050-1:2010

Manufacturer's Name: Yoctopuce Sàrl
Manufacturer's Address: 1 chemin des Journaliers
1236 Cartigny, Switzerland
Manufacturer's Web site: www.yoctopuce.com

We hereby declare under our sole responsibility that the following apparatus:

Product Name: Yocto-Light-V3
Part Number: LIGHTMK3
Product Category: Electrical equipment for measurement, control and laboratory use

conforms to the following European Directives:

Environment: European Directive 2011/65/UE with amendment 2015/863 (RoHS)
European Directive 2012/19/UE (WEEE)
Safety: European Directive 2014/35/EU (Low-Voltage)
EMC: European Directive 2014/30/EU (Electromagnetic Compatibility)

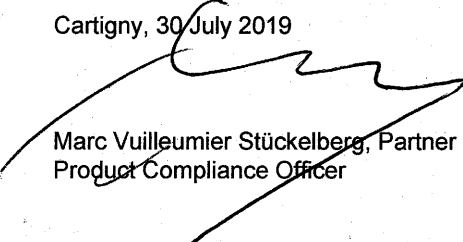

Conformity with the essential requirements of these directives as been assessed in accordance to the following international standards:

Environment: EN 50581:2012
EN 50419:2006
Safety: IEC 61010-1:2012
EMC: IEC 61326-1:2012
IEC CISPR 11:2015, gr.1, cl. B
IEC 61000-4-3:2010, env. industr.
IEC 61000-4-2:2008, 4 kV / 8kV

Additional information:

- An extended RoHS certificate of compliance including full Bill of Material is available separately.
- Extracts from the compliance technical documentation may be provided upon request, in particular electromagnetic emissions measurements.
- Compliance with the listed standards is only granted when the product is used in accordance to the recommendations provided in the product documentation.

Cartigny, 30 July 2019

Marc Vuilleumier Stükelberg, Partner
Product Compliance Officer
